BE FAITHFUL IN YOUR BLESSINGS

Use Your Talents, Your Influence for the Lord

In His grace, God has given us different gifts for doing certain things well. Some are anointed in business while others are blessed to rise up in position in their careers. Many however are unaware that how we use these gifts in this life determines how God will reward us when we get to heaven. As we leave this life on earth and enter eternity, will you be one of those that God would find faithful of your giftedness?

LUKE 19:15-17, 26 (NLT)

15 "After he was crowned king, he returned and called in the servants to whom he had given the money. He wanted to find out what their profits were. 16 The first servant reported, 'Master, I invested your money and made ten times the original amount!' 17 "'Well done!' the king exclaimed. 'You are a good servant. You have been faithful with the little I entrusted to you, so you will be governor of ten cities as your reward.'
26 "'Yes,' the king replied, 'and to those who use well what they are given, even more will be given. But from those who do nothing, even what little they have will be taken away.

LAST WEEK'S MESSAGE

"Consecrate Yourselves"
Joshua 3:1-4:24

When God parted the Jordan River, it demonstrated His power as a Conquering Warrior. The Ark of the Covenant, which symbolized God's divine presence, led the way for the Israelites (3:3-4). The moment the feet of the priests who bore the ark touched the brink of the raging waters the river was tamed (3:14-16). It testified to God's sovereignty over nature.

Twelve men from each tribe were chosen to take twelve stones from the river (3:12; 4:5). These stones were made into a memorial at Gilgal (4:19-20). The memorial was erected as a testimony for the next generation of Israelites on how God delivered the Promised Land into the hands of their ancestors (4:6-7, 21-23). It also served as a reminder for all people that God is mighty and must be feared (4:24).

God did an amazing thing for the Israelites. His presence gave them courage and confidence to conquer the Promised Land. He gave specific instructions they must obey for them to succeed (3:7-8; 4:1-2, 15). However, victory was assured only when they consecrate themselves before God (3:5).

When you are in an unfamiliar territory, recognize God's presence in your midst. Remember who He is and what He has done for you. Let Christ lead you rather than navigate life on your own. Do not dare take the first step without consulting God. Come clean before God and He will surely direct your every step towards victory!
